UTAH ASSOCIATED MUNICIPAL POWER SYSTEMS

# COLLEGE SCHOLARSHIP OPPORTUNITY & a free all-inclusive summer camp

UAMPS, in partnership with the Idaho Consumer-Owned Utilities Association (ICUA) Youth Rally, is taking applications for a **FREE**, week-long leadership camp and scholarship program held in Idaho. High school **SOPHOMORES** and **JUNIORS** from all over the Intermountain West will learn about consumer-owned utilities, teamwork, and leadership. There are activities throughout the week, including a tour of the Idaho Capitol Building and a day at the Idaho Waterpark! Eligible students who live in, or attend school in a UAMPS member utility may apply by writing a 500-word essay based on this year's essay prompt.

- ✓ Looks great on college applications**
- ✓ Gain leadership skills & knowledge of public power**
- ✓ Earn scholarship money by attending a **FREE** camp**

**Applying is FREE and EASY!**

Just call your local power utility to find out what this year's essay prompt is and then submit your short essay.
